

A Message from Mayor DiMaria

I am thrilled to welcome the arrival of summer and the upcoming celebration of the 4th of July. This is a time of joy, community, and togetherness in celebration of our shared values and the freedoms we hold dear.

Morton Grove Days will begin Saturday, July 1st, through Tuesday, July 4th. Check out the schedule of events in this issue of The Exchange. The 4th of July holds a special place in our hearts as we commemorate the birth of our nation. As we gather to celebrate, let us remember the importance of unity and inclusivity. Our community is a tapestry of diverse backgrounds, perspectives, and traditions. Let us embrace this

diversity and come together as one, cherishing the bonds that unite us and fostering a spirit of understanding and respect. Please also keep our neighbors in Highland Park and all the families affected by last year's tragedies in your thoughts and prayers as they continue to heal and move forward.

Summer brings with it a vibrant energy and a spirit of optimism. It's a season that invites us to embrace the outdoors, enjoy the beauty of nature, and create lasting memories with family and friends. Whether it's picnics in the parks, swimming at Harrer or Oriole Pool, or exploring the Forest Preserves that surround us, there are endless opportunities for fun and relaxation.

I encourage you all to make the most of this summer season. Spend quality time with loved ones, engage in acts of kindness and service, and take pride in our beautiful Village. Let us create a summer filled with laughter, happiness, and togetherness.

Your Mayor, Dan DiMaria

Village Water Quality Exceeds Standards

The Village of Morton Grove is committed to providing residents with a safe and reliable supply of high-quality drinking water. Recent water quality tests reveal Morton Grove water exceeds state and federal standards. The Village's annual Consumer Confidence Report, which documents the results of this testing, can be found at: www.mortongroveil.org/2023ccr. If you have any questions about Village water, please call Public Works at 847-470-5235.
