

PUBLIC NOTICE

The Village of Morton Grove is accepting statements of qualifications from consultants for construction engineering services for construction improvements to Austin Avenue from south of Oakton Street to Main Street. The evaluation criteria and weighting for this project is as follows: technical approach - 35%, key personnel - 25%, work load capacity - 20%, firm experience - 15%, local presence - 10%.

Consultants should request a Request for Qualifications packet titled “RFQ – Construction Engineering for Austin Avenue Improvements” from the Village’s website at the following website: <https://www.mortongroveil.org/business-development/bids-and-proposals/>. The packet contains a detailed description of the project, conflict of interest forms, and specific requirements for the format and content of their submission.

Responses are due September 8, 2023 at 1:00 pm at Village of Morton Grove Public Works Department, 7840 Nagle Avenue, Morton Grove, Illinois 60053 to the attention of Mr. Chris R. Tomich, Village Engineer. The statement of qualifications must not contain any cost information. The statement of qualifications must include a conflict of interest form that is included in the Request for Qualifications packet.

Responses will be evaluated and at least three consultants will be selected to interview for this project. Interviews of consultants for this project will be held the week of September 18, 2023.
