- 2) Any IMRF employer that approves an employee's total compensation package equal to or in excess of \$150,000 per year must post on its website, at least 6 days before the approval, the total compensation package for that employee.

"Total compensation package" for purposes of the Act means "payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted."

The Village of Morton Grove has elected to provide employee compensation information for all its employees regardless of salary level.
