Why Participate?

The Morton Grove Police and Fire Departments adhere to the philosophy of community outreach and are committed to developing partnerships with the citizens of the Village. The Citizens Police and Fire Academy provides an opportunity for citizens to develop direct lines of communication with the Police and Fire Department. The citizens participating in the academy will have a working knowledge of the Morton Grove Police Department and The Morton Grove Fire Department and their functions. The hope is that the instruction will strengthen police/fire community rapport through an educational process, increase understanding of police/fire practices and procedures, and dispose of misconceptions. The police and fire departments in turn, become more aware of the concerns and questions of the community it serves.

Who Can Attend?

Participants must be at least 18 years of age and reside or work in the Village of Morton Grove. They must be of good moral character with no felony convictions.
