Village Residents and Businesses

Properties with Outdoor Sprinkler Systems

OR

Fire Suppression Systems

*******Your Cross-Connection Control Device *MUST BE* Inspected*******

Cross-Connection Control Devices prevent contaminated water from sprinkler systems from backflowing into the water supply. Cross-Connection Control Device Inspection is required by the Illinois Environmental Protection Agency (IEPA) and the Village of Morton Grove in accordance with Municipal Code 7-4-10: Cross Connection Control and Ordinance #95-7.

Inspections must be performed annually by a plumber licensed by the State of Illinois for Cross-Connection Control Device Inspection. Inspection reports also must be submitted annually to the Village of Morton Grove Public Works Department – Water Division.

This year, the Cross-Connection Control Device Inspection Reports must be submitted **before July 1, 2024**. Please keep a copy of your inspection report at your residence or business.

The inspection report may be submitted in one (1) of the following ways:

- Email to: Backflow@mortongroveil.org
- Mail to: Village of Morton Grove 7840 Nagle Avenue, Morton Grove, Illinois 60053. Attn: Pumping Station
- Fax to: 847-965-9511 – Attn: Pumping Station
