

- **Community Garage Sale:** The Commissioners decided to hold the Community Garage Sale the weekend of June 7, 8, 9. Trustee Travis introduced the program. This is a program the Village has been doing for about 4 years now. All residents who sign up are added to a map of all the homes hosting a garage sale.

Commissioner Burkhart asked if the Village will consider hosting a space for people who live in condos to sell items. Terry Liston said she will follow up with Village staff to see if we can host something like this.

Terry Liston also mentioned that we will be looking for sponsors for the Garage Sale.

- **Free Little Library:** The structure is well maintained and managed by the library. Commissioners are encouraged to visit and add books as needed.
- **Community Artist Performance:** On hold.
- **Community Block Party:** The Village is looking into adding a “Green Your Block Party” section to the kit with information on how to be more eco-conscious at block parties.

After reviewing agenda items, Chairperson Polyak asked if there is anything else that commissioners would like to discuss. She mentioned the Village is Hosting a Commission Appreciation Night on Thursday, February 29, 2024. All members are invited.

Commissioner Burkhart asked if there will be new name badges made for commissioner members. Terry Liston said she will follow-up with that at the next meeting.

There being no further business, the meeting concluded at 7:28 PM. Motion was made by Commissioner Cha and seconded by Commissioner Chalabi.
