- Commissioner Puthawala asked if there are any other awards the Village can participate in? Is there a way to find out what else we can do to be recognized in the community? Terry Liston responded that the Mayors Water Challenge was something we participated in and Tree City Award. More research can be done for other awards and recognitions we can participate in.
- Terry Liston mentioned we like to get more kids involved in activities and can use the commissions help in recruiting. Ralyn Winski mentioned that there hasn't been a lot of success with school administrators coordinating with the Village. It takes effort from the commission to get things done.
