

# DEMPSTER CORRIDOR PLAN

WHERE COMMUNITY MEETS COMMERCE

Development of the *Dempster Corridor Plan* is underway to define a vision for the future of Dempster Street, Morton Grove's main commercial corridor. The project seeks to enhance transit access, revitalize existing spaces, and attract new, transit-supportive development.

Learn about the project, share your ideas, and take the Dempster Corridor Plan Survey at [plandempster.org](http://plandempster.org). We want to hear from the community to understand the key challenges and priorities for this important area. Your input is critical!
