**BUDGET  
TRANSMITTAL  
LETTER**

TO: Village President and Board of Trustees  
FROM: Chuck Meyer, Village Administrator  
DATE: October 16, 2025  
RE: 2026 Proposed Budget Transmittal Letter

I am pleased to present the Annual Budget for the 2026 Fiscal Year for review and consideration by the Village Board. This document represents the proposed expenditure plan for the delivery of municipal services and capital improvement needs for the Village of Morton Grove in 2026. It represents a continued effort to maintain the services of the Village while keeping expenses under control even with inflationary pressures. The proposed budget document serves the following basic purposes:

*Financial* – Line-item detail of the proposed 2026 Budget is provided by fund, including revenues and expenditures. This detail includes budget references for fiscal years 2024 and 2025; projected expenditures for 2025, and a proposal for budgeting for fiscal year 2026 expenditures and revenues.

*Informational* – Summary information identifies ongoing departmental objectives for key budget requests and a summary of budget modifications from the prior fiscal year.

### **Total Budget Overview**

The total proposed budget including all expenditures and interfund transfers is \$78.14 Million, a decrease of 1.99% from the 2025 budget of \$79.73 Million, which is due to a decrease in TIF funding for projects as most of the Metra Station construction will be completed in 2025. Also, road resurfacing on arterial streets should be completed in the current year. One increase is the New Village Hall and Police Station Building, which will begin initial site work in 2026. Other costs have increased such as pensions and insurance as well as other inflationary increases in operational costs. The budget includes continued funding for redevelopment projects such as sites surrounding the Metra train station. Some projects received partial funding in 2025 with balances to be paid in 2026 and beyond. Funding also increased for some projects, such as additional engineering costs to develop longer range capital plans and prepare projects to be eligible for upcoming grant opportunities. The General Fund budget, which includes the basic operating expenditures of the Village for administration, public works, police, fire, building, and senior and family services departments, is \$39.64 Million, which is an increase of \$587,8897 or 1.51% above the 2025 budget. This increase can be attributed to inflationary increases in operating expenses, especially pension and health insurance costs, while decreasing equipment purchases and a decrease for information technology upgrades completed in 2025.

## General Fund

The General fund has continued to see an increase in sales and home rule taxes in 2025, helped by the economic development in the Village. Due to improved revenues and continued cost containment, the Village estimates the fund balance in the General Fund will be over \$17,000,000, at the end of 2025, which is 42.9% of the 2026 budgeted expenditures. The Village has worked to build the General Fund Balance over the last few years. The Village used reserves to purchase the land for the new Village facility. The Village also anticipates using some of these reserves for construction costs and to be in the best position possible when issuing bonds.

Significant budget modifications are summarized in the following table, all General Fund accounts by total are presented in the attached:

<i>Item</i>	<i>2025</i>	<i>2026</i>	<i>\$ Change</i>	<i>% Change</i>
<b>Administration</b> Addition of HR Generalist Position	\$715,435	\$803,737	\$88,302	12.34%
<b>Information Technology</b> New phone system, security infrastructure,	\$1,197,941	\$1,022,110	(\$175,831)	(14.68%)
<b>Reserves</b> Collective Bargaining Increases Budgeted in Departments	\$793,000	\$544,000	(\$249,000)	(31.40%)
<b>Police Department</b> Pension Expense & Personnel Costs	\$13,681,353	\$14,165,154	\$483,801	3.54%
<b>Fire Department</b> Pension Expense & Personnel Costs	\$11,198,693	\$11,758,988	\$560,295	5.00%
<b>PW Streets</b> Reduction in Large Equipment Purchases	\$3,787,100	\$3,704,100	(\$83,000)	(2.19%)
<b>PW Engineering</b> Decrease in outside engineering expense-projects completed 2025	\$703,295	\$653,095	(\$50,200)	(7.14%)
<b>All other expenditures</b> Net	\$6,973,513	\$6,987,043	(\$13,530)	(0.19%)
<b>Total General Fund</b>	\$39,050,330	\$39,638,227	\$587,897	1.51%

## Revenues/Budget Control

The 2026 Proposed Budget includes an increase in property taxes This is to fund increased pension contributions and some of the inflationary operating increases. The budget also proposes a 4% water rate increase. While transitioning to the Morton Grove Niles Water Commission to buy water from Evanston has stabilized rates, there are still increases in that water rate and operations related to inflation. Department Directors continue to diligently control expenditures and monitor revenues as well as all of the assets of the Village in a fiduciary manner. This proposed managed budget is the result of those efforts.

While this proposed budget is significantly controlled, it does offer the continuing service levels and maintenance of Village facilities and infrastructure, which support the long-term stability and operational needs of the Village.

- Bond Rating Stabilization
  - Maintenance of Financial Reserves
  - Pension Contribution
- Engineering for Future Roads and Water Main Projects
- Maintenance of Public Facilities
- Maintenance of Streets and Sidewalks
- Sewer Lining
- IT Security

The proposed budget reflects the work of department directors and their staffs in constructing the operation and expenditure plan of the Village for 2025. Their work is greatly appreciated, I would also like to recognize Hanna Sullivan, Finance Director, and Zoe Heidorn, Assistant Village Administrator, for their work in the development of this document.

Sincerely,

A handwritten signature in cursive script that reads "Charles Meyer".

**OVERVIEW**

This account provides the appropriations necessary for the Village President and Board of Trustees to carry out their important policy making and community leadership functions. Appropriations for the various Boards and Commissions and the Village Clerk are also included in this department.

In order to serve as a foundation for setting policy and directing the community’s future growth and development, the Village Board of Trustees adopted both Vision and Mission Statements as follows:

**VISION STATEMENT**

To preserve and enhance the overall quality of life within the Village. To provide quality municipal services and infrastructure improvement in a cost-effective manner so the Village is held in high esteem by residents, municipal organizations and professional associations. To participate in advantageous intergovernmental activities and maintain positive relationships with other government agencies. To provide quality and affordable housing in livable residential neighborhoods.

To preserve and enhance the open space and recreational facilities now available within the community. To promote positive economic development within the framework of reasonable codes and zoning standards to facilitate future business and industrial development. To be an innovative “leadership” community while avoiding highly experimental policies or programs.

**MISSION STATEMENT**

To provide municipal services, public improvements and economic development activities in an efficient and effective manner in order to preserve and enhance the quality of life within the community.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. While much has been accomplished during the preceding fiscal year, it is more relevant to discuss performance assessment within each individual department or activity budget included in this document. The reader will note various performance assessment information incorporated within each department, activity or fund included in the overall budget document. In addition to the 76 Resolutions and 26 Ordinances considered by September, 2025, the Mayor and Village Board reviewed and approved regulations related to e-bikes, tobacco sales, and hotels to address safety concerns and respond to community feedback.
2. Work began to remodel the Metra Station, and contracts were approved for the purchase of 6201 Dempster Street to be remodelled and repurposed as a new Village Hall and Police Station.
3. Coordinated the Dempster Street Corridor Plan to have a re-envisioning of the main thoroughfare of the community and develop actionable goals to revitalize this area.
4. Supported completion of the Metra Train Station reconstruction project by end of the year.
5. Worked to secure a prospective developer for the site at 8500-8550 Lehigh Avenue.

## **FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Following careful deliberation and analysis, continue to make prudent policy decisions.
  - Continue Board Committees/Liaisons to ensure effective review of policy choices prior to scheduling Board action.
  - Continue policy of joint staff/Board Committees to deal with many significant policy issues.
  - Continue to liaison with Village Advisory Boards and Commissions to ensure effective communication between the Village Board and its Boards and Commissions.
2. Provide sufficient supervision and require the accountability necessary to ensure all Village operations are conducted in an efficient and effective manner with both quality of service and cost containment as ongoing goals.
  - Continue using the Board's own committees and the Administrator's office to ensure a liaison is maintained with all line departments on a regular basis.
  - Continue having a Village Trustee serve as Finance Liaison to participate directly in the review of all warrants prepared by the Director of Finance.
  - Continue as a committee of the whole, to direct and continue extensive involvement in review and approval of the Village's annual operating and capital budgets.
3. Continue active participation in regional government organizations and joint action agencies, and continue to promote good relations with other local governments.
  - Communicate on an individual basis with other local government units located both within and around our community.
  - Continue active participation in the Northwest Municipal Conference, including not only attendance at Board Meetings and other major events, but also participation on Conference committees as well.
  - Continue as Trustees and active participants on the Board of Directors for both SWANCC and RED Center.
  - Continue the strong cooperative relationship and service sharing arrangements with the Morton Grove Park District.
  - Encourage the professional staff to also participate in regional government activities and joint action agencies as well as their individual professional associations.
4. Promote continued economic development and redevelopment throughout the Village.
  - Continue working through staff and various committees and commissions to promote economic development along Waukegan Road, the Dempster Street Corridor and accompanying Plan being developed with the Regional Transportation Authority, the Lehigh/Ferris Avenue area, and implement the Dempster Street TIF District. In conjunction with the Department of Community and Economic Development, continue ongoing programs to promote the community and implement successful business retention and recruitment strategies.
  - Continue to work closely with the Department of Community and Economic Development to focus on business recruitment and retention efforts as well as general community promotional activities.
  - Begin preparation of Plans for new Village Hall and Police Station.
5. Monitor and evaluate the progress of the Village's Strategic Plan.
  - The Village of Morton Grove has a recently updated and current Strategic Plan. The plan is reviewed by the Board periodically to ensure that policies and directives align with the strategies adopted.

Addition of HR Generalist Position.		

**OVERVIEW**

The Administration Department is responsible for monitoring and guiding programs and activities established by the Village President and Board of Trustees. The Department consists of the Village Administrator, Assistant Village Administrator, Human Resources Generalist, part-time Risk Manager, and Management Analyst. It is the Administrator’s responsibility to direct and coordinate the operations of the Village departments and to inform the Village President and Board of Trustees of Village affairs, including existing conditions and future needs. All Village Departments operate under the direction and supervision of the Village Administrator.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. The Municipal Code was reviewed and modified/updated to ensure updated and comprehensive ordinances were in place and the Village’s software for codification was updated to create staff efficiencies.
2. Oversaw the reorganization of the Village Administrator’s Office including the addition of a Human Resources Generalist to provide additional support for internal stakeholders in line with best practices and the addition of a Management Analyst to serve as a Deputy Clerk along with other responsibilities.
3. The Office of the Administrator continued to provide effective, efficient, responsive and daily management of all Village departments.
4. Expenditures were controlled through close interaction with the Finance Director and all Department managers. These activities included audits of services provided and evaluation of expenditures and revenues.
5. Economic development efforts continued with a high level of success. Business recruitment and development opportunities were identified and supported.
6. Continued the development of the new Village Hall and Police Department, including contracts for the architectural and construction management services.
7. Oversaw the construction process for the new Metra Train Station.
8. Assisted with the oversight of the Morton Grove Niles Water Commission (MGNWC) to hire a new superintendent for oversight of the potable water supply for Morton Grove and Niles.
9. A Capital Improvement Plan was formulated and will be used as a guide for future budget initiatives.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue to assist the Village President and Board of Trustees in evaluating and developing policy alternatives and implementing Board policy decisions.
  - Under the direction of the Village Board, complete and implement the operating and capital budget for the 2025 calendar year.
  - The Administrator’s office will continue to manage the Municipal Code, including review of existing ordinances in an effort to update and make revisions as necessary to the Code to meet organizational changes and policy decisions. The Administrator’s office will also provide for

periodic comprehensive updates to the online Code service to make sure all of the Code modifications are current and usable.

- Continue to evaluate the Village’s technology needs and plan for system updates to be done on an ongoing basis to keep system costs economical from year-to-year. Initiatives include continued implementation of adjudication software and increasing the interfacing of building, finance and legal databases. Promoting appropriate communication and messaging to the community will continue to be a priority.
2. Continue to provide effective, efficient and economical day-to-day management of all operations and public service with special attention given to ongoing analysis and modifications necessary to maximize productivity and efficiency.
    - Specifically, continue working with all Department Directors to oversee department operations and services provisions and ensure all expenditures remain within budget parameters.
    - Recognize and evaluate emergency needs.
    - Review and update performance evaluation program.
    - Continue succession planning efforts as necessary.
  3. Economic development activities will continue to be a high priority of the Administrator’s office.
    - Continue to promote the Village’s ongoing business recruitment and retention programs.
    - Continue to place emphasis on significant redevelopment opportunities within the Village’s commercial corridors.
  4. Cost containment will be high priority for the Village during the coming fiscal year.
    - Continue to work with Department Directors to manage and evaluate Village services and programs as efficiently as possible with cost containment as an objective.
    - Focus on a continuous evaluation of services to ensure they are being provided cost efficiently and identifying revenues to support operations.
  5. Continue support and oversight of the Village’s future Village Hall and Police Department located at 6201 Dempster Street.
  6. Work with local legislators and possibly a Village lobbyist to secure additional funding for capital improvement projects.
  7. The Village Administrator’s office will work closely with each department and the Executive Safety Committee to further reduce loss and liability exposure in the areas of worker’s compensation, general liability and property damage.
  8. Provide Village support to Morton Grove Days and other Village special events.

6. Provided zoning reviews for 672 permit applications between October 1, 2024 and October 1, 2025.
7. Approved Business Compliance Certificates for 10 new businesses, expanded businesses, or changes in business ownership as of October 1, 2024.
8. Worked with the Building Department to implement Business Compliance Certificate inspections and assisted with zoning and tax compliance enforcement.
9. Continued efforts to ensure all non-residential, non-governmental agencies, and businesses properly filed and complied with the Business Compliance Certificate code requirements.
10. Continued to provide support to residents and property owners on zoning matters related to building and sign permit applications including responding to 716 zoning inquiries between October 1, 2024 and October 1, 2025.
11. Regularly met with property owners and prospective developers to promote development that is beneficial to the community.
12. Marketed the Façade Improvement Program and facilitated the review and approval of 1 grant worth \$10,000 as of October 1, 2025.
13. Contacted brokers, developers, and national and regional retail and restaurant chains with targeted marketing materials to market key redevelopment sites.
14. Attended and provided content for community events such as the Sustainability Expo and Chamber of Commerce events, and organized events such as the EDC Business Workshop (scheduled again for November 2025).
15. Coordinated with Public Works on a variety of projects such as establishing a uniform, proactive alley vacation policy, assisting with Metra station project management and communications, and facilitating Traffic Safety Commission meetings related to proposed development.

16. Led the submission of a successful grant application to the Morton Arboretum for street tree plantings (\$25,000).
17. Researched and recommended a program for the use affordable housing funds.
18. Facilitated updates to the Unified Development Code to continue to modernize development regulations and adhere to current best practices.
19. Oversaw the initiation of the Dempster Street Corridor Plan and worked with the consultant team to conduct related community engagement and existing conditions analysis.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue to update all department applications and related website content and develop new materials to improve the communication of Village requirements to developers, businesses, and resident.
2. Continue to update the Community and Economic Development webpage and parallel content on the Building Department webpage on the Village website, incorporating tools and resources for residents, design professionals, prospective businesses, and developers.
3. Continue to provide support to residents and property owners on zoning matters related to building permit applications.
4. Regularly meet with property owners and prospective developers to promote development that is beneficial to the community.
5. Continue to market the Façade Improvement Program.
6. Coordinate review of requests for reimbursement of TIF expenses pursuant to executed RDAs.
7. Continue to work with existing business and property owners to improve the business environment and anticipate/mitigate issues related to business operations in mixed-use areas of the Village.
8. Continue marketing, including targeted recruitment of businesses and developers, for key redevelopment sites along Waukegan Road, Dempster Street, Lehigh Avenue, Lincoln Avenue, and Oakton Street.
9. Continue to create marketing collateral to support community branding, feature local businesses, and encourage new investment.
10. Enhance the partnership with the Chamber of Commerce through event participation, partnership on existing business retention initiatives, and other strategies.
11. Continue to explore economic development incentives and strategies to promote the redevelopment of the commercial and industrial areas throughout the Village and develop new programs to improve Morton Grove’s position in the regional business climate.
12. Continue efforts to ensure all non-residential, non-governmental agencies, and businesses properly file and comply with the Business Compliance Certificate code requirements.
13. Facilitate updates to the Unified Development Code to better address current business and housing trends and to promote the types of development desired by the Village.
14. Continue working with Building Department and Code Enforcement on identifying possible violations and update the Village’s regulations and enforcement procedures.
15. Work with the Dempster Street Corridor Plan consultant team to complete the planning process and identify early-action implementation strategies.
16. Initiate a Comprehensive Plan update alongside the on-going Dempster Street Corridor Plan.
17. Continue to work with Public Works and other departments in the pursuit of grant opportunities to support short-and mid-term implementation and long-range planning.

<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$793,000	\$544,000	(\$249,000)
Decrease is due to settlement of the police and fire collective bargaining agreements, those increases are budgeted in their departments.		

**OVERVIEW**

The reserves have been established to provide funds for unanticipated and emergency needs which may arise during the year for which it is difficult to provide a reasonable forecast. In addition, this account provides for pay increases which are due in accordance with adopted collective bargaining agreements. This account also provides for funding the Village’s deductible(s) required by IRMA.

The increase in this budget is due to an increase personnel costs and increased pension contribution expense.		

**OVERVIEW**

The Police Department delivers professional and responsive law enforcement services to the citizens of Morton Grove to provide for the safest possible environment in the Village. The Department proactively patrols our neighborhoods to deter as much criminal activity as possible and investigates all reports of criminal activity to identify criminals and effect criminal arrests. The Police Administration is committed to officer and citizen safety; identifying risk factors and decreasing liability exposure; providing exceptional policy, training and equipment; effective and efficient use of personnel and manpower allocation; increasing efficiency, productivity and accountability; and preparing for and maintaining fiscal responsibility while being supported by a reasonable financial plan.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Purchased and implemented Axon ALPR Technology with Axon Fleet 3 MVRs in 15 squad cars.
2. Purchased and implemented Axon Unlimited 3rd party storage for the storage and management of all digital evidence.
3. Installed four new Flock ALPR cameras in the Oakton corridor using grant funding, enhancing investigative capabilities and real-time monitoring in a key traffic area.
4. Reworked internal processes to enhance accountability and accuracy in evidence audits, ensuring improved tracking, documentation, and supervisory review.
5. Completed two reunification drills in partnership with local schools and school districts.
6. Developed and delivered a community outreach initiative through the Park District, featuring an educational program led by the Animal Control Officer for local youth.
7. Reworked the pre-employment psychological evaluation process by selecting and implementing a new vendor to improve assessment quality and consistency.
8. Expanded regional response capabilities by assigning an additional officer to the NIPAS Mobile Field Force team, strengthening mutual aid partnerships and operational readiness.
9. Purchased and fully outfitted three new police vehicles, enhancing fleet reliability, officer safety, and operational efficiency.
10. Purchased Glock 47 pistols equipped with optics to replace the existing inventory of P320s, standardizing duty weapons and enhancing officer accuracy and reliability.
11. Planned, coordinated, and staffed the 2025 Greater Chicago Jewish Festival, ensuring a safe and well-organized event through collaborative efforts with regional partners and community stakeholders.

12. Reorganized the tracking and response process for traffic complaints, improving follow-up, documentation, and responsiveness to community concerns.
13. Reorganized grant oversight and application processes to improve tracking, accountability, and the Department's ability to pursue and manage funding opportunities.
14. Purchased ten additional sets of body armor and rifle-rated plates, enhancing officer safety and ensuring greater availability of critical protective equipment.
15. Transitioned operation of the Village's weather warning sirens to the Glenview Public Safety Dispatch Center, improving system reliability and regional coordination during severe weather events.
16. Researched transitioning the Department's respiratory protection program to replace current Avon respirators with Avon escape hoods, with full implementation planned for 2026 to improve ease of use and deployment.
17. Researched and developed a Pursuit Prevention Program, identified appropriate equipment, and established an implementation plan for 2026 to enhance public and officer safety during vehicular pursuits.
18. Sgt. Patrick Mallaney successfully completed the Northwestern University Center for Public Safety School of Staff and Command, further strengthening the Department's leadership development.
19. Deputy Chief Dennis Johnson attended and graduated from the FBI National Academy, enhancing the Department's leadership capacity and strengthening national law enforcement partnerships.
20. Cmdr. Anderson, Sgt. Fasos, and Sgt. Johanson completed the FBI-LEEDA Leadership Trilogy Series, further advancing the Department's supervisory and leadership development.
21. Department was awarded the 2024-25 Illinois Traffic Safety Challenge for excellence in traffic safety programming, policies, enforcement, and community outreach.
22. Department received the 2025 Destination Zero Award for General Officer Safety, recognizing comprehensive efforts to enhance officer wellness, safety programs, and innovative risk-reduction strategies.
23. Completed the ILEAP re-accreditation process to be certified as a Tier 2 ILEAP agency.
24. Conducted a DUI roadside safety checkpoint to deter impaired driving, enhance roadway safety, and support state and regional traffic enforcement initiatives.
25. Continued investigative efforts on cold case homicides, utilizing modern techniques and interagency collaboration to pursue unresolved cases and seek justice for victims and families.
26. Hired three patrol officers through the Lateral Entry Hiring Process, strengthening staffing levels and reducing training time to operational readiness.
27. Conducted an entry-level police officer testing process to identify and build a pool of qualified candidates for future vacancies.
28. Continued to work on design for new Village Hall/Police Station.

## **FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Conduct both entry-level and lateral-hire patrol officer testing processes in 2026 to maintain a strong candidate pipeline and support staffing needs.
2. Continue systematic reviews and investigative efforts on cold case homicides, incorporating modern forensic techniques and interagency collaboration to advance unresolved cases.
3. Continue participation in the FBI-LEEDA Leadership Trilogy training program to strengthen supervisory development and support the Department's leadership succession planning.
4. Send one supervisor to the Northwestern University Center for Public Safety School of Staff and Command to further develop leadership capacity within the Department.
5. Implement a phased replacement program for the Department's patrol rifle inventory over a three-year period to ensure reliability, standardization, and improved officer safety.
6. Continue design and planning work for the new Village Hall and Police Station, ensuring the facility meets long-term operational needs and supports modern public safety functions.
7. Apply for an ILETSB grant to support the phased replacement of Department-issued Tasers, enhancing officer safety and maintaining up-to-date less-lethal technology.
8. Send an officer to serve as a Class Supervisor at the Suburban Law Enforcement Academy (SLEA), supporting regional training efforts while strengthening the Department's instructional and leadership presence.
9. Continue active participation in the School Safety Task Force, with a priority focus on replacing outdated safety and communication systems to enhance emergency preparedness and coordination.
10. Research the potential transition of the crossing guard program to a private vendor, evaluating cost-effectiveness, service quality, and operational impact to support long-term staffing and budget strategies.
11. Continue to build and strengthen Peer Support and wellness processes within the Department, expanding resources and training to support employee well-being and resilience.
12. Continue to build physical fitness and overall wellness processes within the Department, promoting long-term health, readiness, and resilience among all personnel.
13. Continue to work on the IRMA Benchmark Program to improve departmental risk management practices, align with best-in-class standards, and strengthen organizational performance.
14. Assess and evaluate departmental processes for property damage crash reporting to improve efficiency, accuracy, and service to the community.
15. Assess the emergency equipment outfitted on squad cars, including the potential addition of rumble sirens, to enhance officer safety and improve the effectiveness of emergency responses.

Increased pension costs and increased personnel costs lead to the budget increase.		

**OVERVIEW**

The Fire Department is responsible for delivering a wide range of services in a fiscally responsible manner within the guidelines established by the Village Board. The department maintains three divisions, Administration, Fire Prevention, and Operations, to carry out the mission of the department. Fire Administration is responsible for managing the budget, developing and implementing policies and procedures, personnel management, and interacting with the public. The Fire Prevention Bureau is responsible for community risk reduction that includes plan review, code enforcement, facility inspections, and public education. The Operations Division, the largest division of the fire department, is responsible for delivering fire suppression and emergency medical services to the residents and visitors from two fire stations. This division is also responsible for training, hazardous materials and technical rescue response, water rescue, and fire investigations.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Began the year with multiple promotions. A new Fire Chief, District Chief, and two Lieutenant’s successfully navigated their new roles.
2. Working with the facilities division, replaced the mansard roof on Station 4.
3. Continued to participate with the Police Department in the Citizens Police and Fire Academy by providing two nights of fire department specific education.
4. As part of the department’s cancer prevention program, contracted with Redline to complete a comprehensive cleaning and inspection on all personal protective clothing.
5. Finalized a new ambulance purchase.
6. Implemented modern software technologies, including new pre-plan software to aid crews and command during emergency responses.
7. With the Village Board’s approval, the Cook County Multi-Jurisdictional Hazard Mitigation Plan (CCMJHMP) was adopted.
8. Successfully held an open house at Fire Station 4. There were more activities this year and there was a great turnout from the community.
9. Continued to partner with the Lutheran General Hospital Paramedic program by providing auto extrication training to the 2025 paramedic class.
10. Processed 4 new firefighters, completed initial training to place them on shift.
11. With assistance from the facilities division, using on-duty labor, completed remodel of EMS rooms at both stations to better serve the current needs of the department.
12. The apparatus committee continued to work with the dealer for the new rescue engine, to be delivered in 2026.
13. Installed status board monitors at both stations to aid response decisions and situational awareness.
14. Implemented a complete change of hardware and operating platform for mobile data computers/computer aided dispatch in all apparatus.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Plan, organize, and execute a promotional process for the position of District Chief.
2. Continue to increase public education opportunities through community involvement.
3. Take delivery, equip, outfit, and train personnel on new rescue engine.
4. Refurbish apparatus exhaust extraction systems at both stations to provide reliable operation.
5. Evaluate the department wellness/fitness programs and add any programs that will enhance the overall safety and health of personnel.
6. Update all MABAS Box Alarm assignment cards to make sure they are current with the recommended deployment models.
7. Working with facilities, evaluate fire station condition and make improvements as financing/budgets allow.
8. Provide for processing, outfitting and training new personnel to maintain staffing.
9. Conduct an entry level test to maintain a current eligibility list.
10. Review and revise all Department policies and guidelines to meet current standards.
11. Provide training for succession and maintenance of personnel assigned to special teams, such as, hazardous materials, technical rescue, and fire investigators.

**OVERVIEW**

The Street Division maintains 83 miles of roads and all Village rights-of-way, including parkways, sidewalks, unimproved alleys, and parking lots. Maintenance tasks include street sweeping, landscaping, patching roads, signage, pavement markings, leaf collection, sidewalk and curb repairs, tree trimming, tree removal and replacement, snow and ice control, and storm damage cleanup.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Implemented increased work plan safety protocols and operating procedures.
2. Participated in the Northeastern Illinois Public Safety Training Academy (NIPSTA) Snowplow Training.
3. Responded promptly to resident service requests and issues within budget parameters.
4. Maintained the 75 centerline miles of Village streets, 12 centerline miles of alleys, and 13 centerline miles of State highways.
5. Repaired or replaced 470 street signs and 260 signposts.
6. Streets Division placed 110 tons of asphalt mix for alley repairs, 510 tons for utility repairs, and 25 tons for street repairs.
7. Supervised the Concrete Replacement Program, which included replacing 412 square yards of concrete driveway apron, 24,200 square feet of sidewalk, 660 square yards of concrete pavement patches, and 1,304 linear feet of curb.
8. Coordinated the annual Tree Trimming Program, which involved a private contractor trimming 500 parkway trees. Due to the trees' locations and height, the contractor was hired to complete the work.
9. Division personnel trimmed 845 trees along Village Parkway and removed 115 parkway trees.
10. Completed curb painting at all schools and park district areas in the village
11. Planted 225 trees facilitated by the Illinois Department of Natural Resources (IDNR) tree grant.
12. Planted 167 trees through the annual 50/50 tree planting program.
13. Managed the Adopt-A-Planter Program, a successful initiative utilizing all existing planters along Dempster Street, Waukegan Road, Civic Center, and the Metra Station.
14. Managed the Landscape Maintenance Program, including Fire Stations 4 and 5, Village Hall, the center medians, sidewalk areas along Lincoln Avenue, and all Dempster Street parking lots.
15. Monitored and managed the collection of garbage, recycling, and yard waste.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Respond promptly to resident service requests and issues.
2. Continue the exceptional maintenance of the existing street programs that include the following:
  - annual concrete replacement program
  - sidewalk saw-cutting program to reduce trip hazards
  - annual asphalt street patching program
  - wintertime cold patch pothole program
  - replacement of residential street light poles

- annual tree trimming program
  - manage and implement safe and reliable ice/snow control during winter
  - annual leaf collection program
  - street sweeping program
  - assist with community events
3. Maintain the 75 centerline miles of Village streets, 12 centerline miles of alleys, and 13 centerline miles of State highways.
  4. Facilitate developing and refining the Capital Improvement Plan (CIP).
  5. Publish the Pavement Condition Rating Map for all village-maintained roadways.
  6. Initiate a comprehensive alley improvement plan.
  7. Continue focusing on developing work plan safety protocols and operating procedures.
  8. Continue participation in the Northeastern Illinois Public Safety Training Academy (NIPSTA) Snowplow Training.
  9. Expanded leadership development with targeted training.
  10. Plant approximately 225 tree plantings as part of the second phase of the Illinois Department of Natural Resources (IDNR) tree grant.
  11. Continue the annual 50/50 tree planting program, planting 200 parkway trees.
  12. Manage the Adopt-A-Planter Program, along all existing planters along Dempster Street, Waukegan Road, Civic Center, and the Metra Station.
  13. Continue the efficient Landscape Maintenance Program for Fire Stations 4 and 5, Village Hall, the center medians, sidewalk areas along Lincoln Avenue, and all Dempster Street parking lots.
  14. Continue to monitor and manage the collection of garbage, recycling, and yard waste.

**OVERVIEW**

The Engineering Division’s primary mission is to identify, analyze, recommend, and implement the repair or replacement of the Village’s infrastructure. Specifically, the Engineering Division:

- Develops plans and specifications for construction improvements and facilitates contract administration for annual infrastructure maintenance programs (e.g., streets, water mains, sewers, alleys, street lighting, and traffic signals) and other major infrastructure projects.
- Assembles and maintains information for the Village Geographic Information System (GIS) and expands its efficiency and utilization.
- Coordinates regulatory responsibilities for public and private improvements within the village's rights-of-way.
- Approves the development of private properties, generally related to drainage, traffic safety, and public utilities. Engineering plans for private developments are reviewed for conformance to village codes, policies, and generally accepted development practices.
- Provide assistance and technical recommendations to other village departments, the Traffic Safety Commission (TSC), and the Village Board for various public and private improvements.
- Serves as the staff liaison for the TSC. It involves receiving, investigating, coordinating, preparing, and resolving each Request for Review from the public or preparing Plan Commission cases for review by the Commission.
- Coordinates and collaborates with staff at the Illinois Department of Transportation (IDOT), Metropolitan Water Reclamation District of Greater Chicago (MWRDGC), Cook County Department of Transportation and Highways, Illinois Environmental Protection Agency (IEPA), and the North Shore Council of Mayors Technical Committee on issues related to infrastructure, funding, permitting, policies, and jurisdiction.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Managed nine (9) Department of Public Works contracts to support street, water, sewer, and facility operations.
2. Served as staff liaison to the Traffic Safety Commission (TSC) to process and advise commission members and the public regarding their traffic safety and parking concerns. The engineering staff also supported numerous Plan Commission cases for new developments.
3. Led administrative construction management requirements for the Austin Avenue roadway construction improvements.
4. Prepared eighteen (35) resolutions or ordinances for Village Board approval.
5. Continued design engineering for Stage 2 Oakton Street multi-use pedestrian facility, including supporting the land acquisition of private property at Oakton Street and Caldwell Avenue, and on the north side of Oakton Street connecting St. Paul Woods and River Drive.
6. Supported permit review process for thirty-six (36) private developments, one hundred fourteen (114) single-family residential properties, and twenty-two (22) utility improvements.

7. Completed Phase II design engineering and Phase III construction to resurface:
  - Beckwith Road from Shermer Road to Austin Avenue.
  - Central Avenue from Dempster Street to Golf Road.
  - Gross Point Road within the Village's limits.
  - Shermer Road from Harlem Avenue to Golf Road.
8. Coordinated sidewalk improvements with the Village of Niles installed near the South Pumping Station.
9. Prepared Phase II design drawings of 550 feet of water main replacement on Cameron Lane.
10. Continued supporting the engineering aspects for the Metra train station reconstruction project.
11. Collected comprehensive data related to sidewalk condition inventory, pavement marking inventory, and residential concrete light poles for developing the 5-year Capital Improvement Plan.
12. Completed traffic analysis of five (5) intersections that improve traffic operations.
13. Developed a conceptual framework Capital Improvement Plan with preliminary priorities for 5-year and 10-year forecasts.

### **FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Finalize land acquisition and Phase II design engineering for Stages 2 and 3 of the Oakton Street Multi-Use Pedestrian Facility improvements.
2. Coordinate the modifications and construction improvements for the railroad crossing as part of Stage 3 Oakton Street Pedestrian Facility improvements.
3. Prepare bidding documents for the annual maintenance programs and provide construction engineering support as needed.
4. Support engineering-related permit reviews for private developments.
5. Complete the Metra train station reconstruction project.
6. There will be a concentrated effort on developing the Capital Improvement Program (CIP) for all Village infrastructure, which includes projects and programs for building and maintaining surface, overhead, and underground utilities.
7. Revise the Village's standards for private and public infrastructure construction.
8. Complete traffic analysis of various intersections that improve traffic operations.
9. Initiate an engineering study for Lincoln Avenue Improvements to assess current and future needs between Dempster Street and Long Avenue. Also, federal funding for engineering and construction will be requested from the North Shore Council of Mayors.
10. Apply to the North Shore Council of Mayors for federal funding to cover engineering and construction costs for Lehigh Avenue from Oakton Street to Lincoln Avenue. Preliminary engineering is scheduled to start in 2027.
11. Design improvements for the Residential Asphalt Street Improvement Program to be built in 2027.
12. Design improvements for the Alley Improvement Program scheduled for construction in 2026.
13. Design improvements for the Arterial Street Improvement Program to be implemented in a future year when federal funding becomes available.

Increase in cost of fuel and parts.		

**OVERVIEW**

The Vehicle Maintenance Division's mission is to maintain all vehicles and internal combustion engines owned and operated by the Village, including police, fire, public works, and pool vehicles. Maintenance responsibilities also include administrative duties such as managing tollway accounts, emission tests, and vehicle safety lane inspections. This division also maintains the underground storage tank (UST) monitoring gauge equipment as required by the Illinois State Fire Marshal’s Office.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Maintained 152 Village-owned and operated fleet vehicles and equipment.
2. Maintained the Underground Storage Tank (UST) and fuel dispensing equipment.
3. Modernized the existing vehicle fleet. Acquired,
  - F450 pickup through the State of Illinois and Northwest Municipal Conference (NWMC) procurement bid process,
  - Arrow Board for traffic control,
  - Hot Patch Asphalt heater for the F450 pickup,
  - Mini Bob Cat.
4. Completed semi-annual State-mandated inspections for all Public Works and Fire Department vehicles.
5. Successfully implemented the commercial driver’s license (CDL) training for all Public Works personnel, which resulted in six (6) Public Works personnel obtaining CDL licenses.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue the core mission of maintaining and servicing the 152 motorized vehicles and equipment owned and operated by the Village departments.
2. Ensure all Village-owned and operated vehicles are state-certified and comply with all safety standards.
3. Continue the Division's focus on evaluating, drafting, and prioritizing a comprehensive and flexible Revolving Equipment Replacement Program with the Finance Department.
4. Develop policies and procedures for maintaining all motorized vehicles and equipment owned and operated by the Village.
5. Research and support staff participation in training opportunities related to vehicle repair operations.
6. Continue the commercial driver's license (CDL) qualification training to achieve 100% Public Works department staff certification.

**OVERVIEW**

The Morton Grove Civic Center is a unique community focal point for senior citizen activities, the delivery of important human services, service club meetings and fundraisers, civic and government events and private functions such as anniversary celebrations, birthday parties, wedding receptions, etc.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

- Morton Grove Senior Center:** Various senior programming was supported consistent with feedback received from the senior community. Weekly BINGO and monthly social luncheons remained popular.
- Social Services:** The Village Social Worker maintained a full-time position within the Police Department. The position provides professional individual and family counseling services, crisis intervention, case management, support groups and educational programming.
- Health Services:** These 3<sup>rd</sup> party services can include periodic blood pressure and diabetes screenings and monthly cholesterol screenings.
- Senior Ride Share Program:** The Village continued to support and evaluate this “pilot” program that leverages a partnership with Lyft rideshare. The program funds rides for Morton Grove seniors to grocery stores, pharmacies and doctors appointments within distance restrictions of our municipality.
- Civic Center Bookings:** Continued to provide a combination of customer service, building attractiveness, space versatility, and market appeal in order to attract renters.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

- Continue to assist in providing quality social services to all Village residents.
- Continue to explore and offer quality senior engagement services to residents through a variety of programs designed to enhance experiences for area seniors.
- Provide support to Village seniors in accessing local doctors and businesses through the ride share program.
- Provide on-site senior engagement activities as requested through feedback from residents.
- Continue to provide 3<sup>rd</sup> party health education and screening programs as current health opportunities allow.
- Continue to monitor Civic Center operating costs and rental revenues to ensure profitability.
- Continue to showcase the Civic Center to increase community and market awareness.
- Explore advertising opportunities to promote rental services.

**OVERVIEW**

The mission of Building and Inspectional Services (BIS) is to assure property and structures are developed and maintained in accordance with the Village’s building, electrical, plumbing, life safety, health codes, and current Energy codes. Specifically, the Building and Inspectional Services staff oversees the building permit review process from start to finish; while Code Enforcement staff ensures that the buildings and properties are being utilized and maintained in accordance with applicable codes.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. More than 1635 building permits were processed and filed with a construction value of almost \$41M from October 2024 to September of 2025.
2. Staff worked closely with construction management teams of the larger projects to identify and correct issues early, leading to a significant reduction in code violations.
3. Provided inspectors with mobile devices and cloud-based software to access up-to-date project documents and schedules in the field.
4. Rodent Abatement Program has increased its public awareness to effectively educate the public on proper property management and rodent control practices.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue to improve the permit review process, through increased coordination between Village departments and through the increased use of core functions in the BS&A Cloud software.
2. Continue to explore the functionality sustainability of “paperless” permitting to encompass larger projects and significantly enhance the customer’s experience and accessibility.
3. Improve the department’s web presence by reorganizing the layout and ensuring that our webpages provide up-to-date information.
4. Continue to provide proficient inspectional services for the extensive ongoing and anticipated commercial ventures.
5. Work closely with the rodent abatement Vendor on more efficient methods of optimizing target methods.

**OVERVIEW**

The purpose of the Enterprise Fund's administration is to ensure the efficient and effective management of the Water and Sewer Division’s daily operations. Responsibilities include water meter readings, billing, collection of water and sewer usage fees, and general customer service related to this operation.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Provided water meter readings, billing, collection for water and sewer usage, and general customer service on a timely, effective, and efficient basis.
2. Assisted residents with concerns regarding their meters.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue providing services focused on the efficient and effective management of the Water and Sewer Division's daily operations.
2. Review the monthly water bills.
3. Assist residents with questions regarding their water bills.
4. Continue to monitor for unaccountable water loss.

Increase due to personnel costs being reclassified to Water, also, additional engineering for future water main projects.		

**OVERVIEW**

The Public Works Water Division maintains the Village’s water supply, including the distribution system, appurtenances, public fire hydrants, and residential water service lines from the Buffalo-Box (B-box) to the water main. This involves repairing broken water mains, service lines, water valves, and fire hydrants to ensure residents and the community have access to potable water.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. As of this report, approximately eighty (80) water main breaks and twenty (20) water service line leaks were repaired, and twenty (20) lead water service lines were replaced.
2. As part of the Hydrant Replacement Program, fifteen (15) fire hydrants are scheduled to be replaced by year-end.
3. One hundred twenty-two (122) fire hydrants were sandblasted and painted.
4. Completed one hundred sixty (160) water meter calls to assist residents with installing new meters.
5. Continued the annual Leak Detection Program that eliminated existing unaccounted water loss.
6. Complied with State and Federal bacteriological sampling, lead sampling, UCMR5, and trihalomethane sampling mandates.
7. Updated the Lead and Copper Program through public notifications and assistance to residents and elementary schools.
8. Maintained a “no EPA violation” reporting for the 2024 Annual Water Quality and Consumer Confidence Report.
9. Maintained the North and South Pumping Stations and associated reservoirs, elevated tanks, and their appurtenances.
10. Coordinated upgrading the supervisory control and data acquisition (SCADA) system main viewing monitor at the North and South Pumping Station.
11. Coordinated installation of security cameras at the North Pumping Station.
12. Initiated the engineering civil due diligence investigation for installing a Variable Frequency Drive (VFD) pump at the North Pump Station.
13. Initiated the engineering and vendor coordination to replace the aged bolts of the waterline distribution system below the North Pumping Station.
14. Initiated the repair and replacement of the North Pumping Station effluent meter.
15. Assisted other Public Works Divisions with snow plowing, leaf pick up, installing sewers, catch basins, and manholes, and designing upcoming water and street paving projects.
16. Completed in-house concrete and parkway restorations.
17. Managed inspections for water and sewer-related private development projects.
18. Continued field revisions for the GIS system from the water and sewer atlases.
19. Continued focus on workplace safety, including trenching, shoring, and confined space entry training.

## **FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Maintain the Village's water supply and network distribution system.
2. Continue the development and refinement of the Division's Capital Improvement Plan for the next five to ten years.
3. Develop the Village's lead line replacement policy.
4. Maintain the above-ground and below-ground storage reservoirs and pumping stations.
5. Implement the component upgrades to the existing SCADA System at both Pumping Stations.
6. Continue focusing on workplace safety, including trenching, shoring, and confined space entry training.
7. Comply with all State and Federal water mandates by maintaining exemplary water quality reporting requirements.
8. Continue to seek State and Federal funding for facility network upgrades, including projects such as funding for the emergency connection of the Northwest Water Commission line to the North Pumping Station.
9. Replace the North Station Tower Cathodic Protection.
10. Replace Pump #2 at the North Station with a Variable Frequency Drive Pump (VFD).
11. Continue replacement of lead service lines from the water main to the Buffalo Box.
12. Continue the Fire Hydrant Flushing, Painting, and Replacement Programs.
13. Continue the Water Valve Turning and Replacement Program.
14. Continue the water system leak detection program for the entire Village water system.
15. Continue the in-house Leak Detection Program to reduce water loss issues in the water distribution system.
16. Continue collaboration with *BSI Online* to monitor the inspection program and track the compliance of the Cross-Control Connection Devices within the Village.
17. Continue field revisions for the GIS system from the water and sewer atlases.
18. Assist other Public Works Divisions in leaf collections and snow/ice removal programs.
19. Respond to JULIE's ticket locate requests.

**OVERVIEW**

The Sewer Division is responsible for the operation and maintenance of the Village’s 41 miles of sanitary sewer pipe, 45 miles of storm sewer pipe, and 21 miles of combined sewer pipe. The Sewer Division also replaces and rebuilds aging sanitary and storm sewer pipes and manhole structures throughout the Village. This division inspects approximately 100 homes yearly for illegal sump pump connections and supervises the annual sanitary and storm pipe lining program. The lining program results in the structural improvement of the sewer pipe (at a reduced price over replacement) and minimizes the inflow and infiltration from groundwater, reducing the flow volume in the Village’s sewers and the Metropolitan Water Reclamation District of Greater Chicago’s (MWRD) interceptors. The division also conducts public education training on illicit discharges into the public waterways.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Attended five safety seminars and led over 30 tailgate talks to reinforce our workplace safety program.
2. Continue inspecting homes for illegal sump pump connections within Basin 10.
3. Continued field revisions for the GIS system from the water and sewer atlases.
4. Lined over 10,000 feet of sanitary sewer. The lining program will extend into Basin 10 to satisfy the Metropolitan Water Reclamation District of Greater Chicago (MWRDGC) requirements.
5. Televised sanitary sewer mains and home inspections in Basin 10 to fulfill the MWRD-mandated requirements under the Infiltration and Inflow Control Program.
6. Inspect approximately 450 homes for illegal sump pump connections within Basin 10.
7. Improved internal processes for the NPDES stormwater and combined sewer outfall programs.
8. Performed numerous emergency spot repairs on the sewer system by televising and addressing visible sinkholes.
9. Inspect and clean over 4 miles of sewer main.
10. Continued implementation of the cleaning, inspecting, and rebuilding catch basins program.
11. Assisted 100 village residents with advice on solving sewer problems with their property.
12. Offered guidance on overhead sewer and flood control loan assistance to eligible homeowners.
13. Inspected and cleaned two miles of sanitary sewer pipe.
14. Rebuilt and cleaned nineteen (25) curb drains.
15. Cleaned thirty (30) catch basins.
16. Repaired 100 feet of sanitary sewer line.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue refining the current Capital Improvement Program (CIP) through coordination and collaboration with the Village Engineering Division.
2. Continue focusing on workplace safety through seminars and tailgate talks.
3. Continue to maximize the linear feet of sanitary sewer lining. The lining program shall extend into Basin 10 to satisfy the Metropolitan Water Reclamation District of Greater Chicago (MWRDGC) requirements.

4. Maximize the length of sanitary sewer mains televised and the number of home inspections in Basin 10 to meet the MWRD-mandated requirements under the Infiltration and Inflow Control Program.
5. Continue to monitor homes for illegal sump pump connections within Basin 10.
6. Continue the national pollutant discharge elimination system (NPDES) stormwater program and combined sewer outfall program.
7. Complete spot repairs of the sewer system through televising programs and visible sinkholes.
8. Plan to inspect and clean at least five (5) miles of sewer main.
9. Continue catch basin cleaning, inspections, and rebuilding operations in accordance with the sewer maintenance plan.
10. Continue to assist village residents with advice on solving sewer problems with their property.

\$ 1,363,000	\$718,000	(\$645,000)
Decrease in planned engineering and construction in 2026		

**OVERVIEW**

The Capital Projects Fund is established to provide a central account within the budget structure to identify most non-enterprise public infrastructure improvements planned for design or construction during the fiscal year. Project development typically is developed in three (3) phases. Phase I (Project Study) involves developing the project scope, environmental studies, and preliminary project design; Phase II (Design) refines the design to develop contract plans and land acquisition; and Phase III (Construction) consists of the project's construction. It is typical for major capital improvement projects to continue beyond a single year. Project expenses in this fund reflect the activities associated with various phases of project development. Project expenses may change after transitioning to a new project phase. The cost changes, generally, are not related to inflationary factors that typically other budget shift funds; instead, they are due to the increased level of detail that develops as the project progresses from Phase I to Phase III.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Finalized the Austin Avenue roadway improvements from Oakton Avenue to Main Street.
2. Finalized design engineering for resurfacing Austin Avenue from Main Street to Lincoln Avenue. Construction bids exceeded the budget, so construction was postponed to a future year.
3. Completed the Austin Avenue corridor roadway and utility improvements from Oakton Street to Main Street. The roadway, storm sewer, and sanitary sewer improvements were substantially completed in 2024. Resurfacing of Oakton Street disturbed by sanitary sewer installation and Austin Avenue surface defect remediation were completed in 2025. Traffic signal improvements and remaining contract items were also completed in 2025.
4. Final plans, specifications and estimates were submitted to the Illinois Department of Transportation for Stage 2 and Stage 3 improvements for the Oakton Street Multi-Use Pedestrian facility. The design efforts include two segments: on private property between Oakton Street and Caldwell Avenue and another on the north side of Oakton Street connecting St. Paul Woods and River Drive. Advanced the land acquisition of one privately owned parcel to negotiations for the segment between Oakton Street and Caldwell Avenue. Conveyance of the parcel will likely be delayed to 2026.
5. Phase I engineering to develop improvements for Lehigh Avenue was postponed to a future unspecified year.
6. Proposed interior improvements to the Department of Public Works Department facility was postponed to facilitate future planning and design.
7. Phase II engineering for emergency vehicle pre-emption system at Dempster Street and Callie Avenue was postponed due to a lack of legislative funding solicited for this improvement. It has been postponed to a future year when funding becomes available.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Upgrade bicycle route signage and markings using designated state legislative funds.

2. Develop Phase II engineering plans, specifications and estimates for an alley to be rehabilitated by Streets Division.
3. Develop short-term traffic calming improvements at the intersection of Lincoln Avenue and Menard Avenue.
4. Develop architectural plans, specifications, and estimates for renovating interior sections of the Department of Public Works. A future construction year will be determined based on available funding.
5. Develop Phase I engineering study to rehabilitate Lincoln Avenue from Dempster Street to Long Avenue. Apply for federal funding to cover a substantial part of the construction costs. The project timeline is estimated to be four to six years, including environmental clearances, design approval, land acquisition (if needed), and securing funding.
6. Develop Phase II engineering plans, specifications, and estimates for Austin Avenue from Lincoln Avenue to Dempster Street. Apply for federal funding to cover a significant part of the construction costs. The Phase II engineering timeline is less than one year. The earliest federal funding could be available is 2027, if the project is selected.
7. Develop Stage 2 and Stage 3 improvements for the Oakton Street Multi-Use Pedestrian facility. This timeline relies on securing land acquisition for private property and completing coordination with the railroad for improvements to signals and tracks for a new pedestrian crossing.

**OVERVIEW**

The New Village Hall/Police Station Fund is established to provide a central account within the budget to identify and track all expenditures related to the new Village facility that will serve as the Village Hall as well as the Police Station. This major capital improvement project will continue beyond a single year. Project expenses in this fund reflect the activities associated with the initial phase of project development. Future years will cover construction and final costs.

Completed most of resurfacing four arterial streets in 2025		

**OVERVIEW**

The Motor Fuel Tax Fund (MFT) was established to account for the Village’s share of MFT monies received from the State of Illinois. State statutes provide for a State-imposed tax on motor fuel sales in Illinois. Following state law, the Illinois Department of Transportation (IDOT) defines and audits guidelines for using MFT monies. The Village MFT fund was established to account for the distribution and use of MFT monies.

**EXPENDITURES**

Numerous eligible expenses for MFT funds exist but are categorized as maintenance and construction. MFT funds may cover the costs of maintaining streets and parking lots, purchasing road salt, concrete, and asphalt, maintaining traffic signals and lights on arterial streets, and paying staff salaries for daily roadway maintenance. Construction activities are limited to resurfacing streets.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Maintained programs supported by the MFT funds outlined above.
2. Substantially completed Phase III construction improvements and construction site engineering with federal funding to resurface:
  - Beckwith Road from Harlem Avenue to Austin Avenue,
  - Central Avenue from Dempster Street to Golf Road,
  - Gross Point Road within the Village’s limits, and
  - Shermer Road from Harlem Avenue to Golf Road.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. MFT appropriations will continue funding roadway, pedestrian, and alley maintenance improvements.
2. Resuming study and design of sewer separation and street rehabilitation improvements on Emerson Street, Capri Lane, Marmora Avenue, and Menard Avenue in the northeast corner of the Village. This project was initiated in 2017 and was suspended in 2022 due to a lack of funding.
3. Substantially reduce spending on construction improvements to rebuild balance of fund for future projects being developed.

Increase in cost of central dispatch.		

**OVERVIEW**

To provide safe, efficient and effective public safety dispatch services and response through the use of the emergency 911 telephone system. The E911 system provides community residents with the three digit emergency telephone number which will access police, fire, or ambulance services. The enhanced system allows the E911 dispatcher to immediately know the address, phone number, and location of most callers.

In 2013 the Village of Morton Grove Police Department transitioned to the Glenview Public Safety Dispatch Center (GPSDC). GPSDC is responsible for receiving and dispatching calls for police, fire, and emergency medical services through the 911 wire line and wireless systems, radio, alarm notifications, and other communication systems.

\$3,134,632	\$3,134,632	-
Developer note repayment-paid from taxes generated from the development.		

**OVERVIEW**

The Sawmill Station TIF was created in mid-2019 to help support the development of commercial and residential properties at and adjacent to the intersection of Dempster and Waukegan, including but not limited to the partially vacant Prairie View Shopping Center site. The Prairie View Shopping Center site was successfully redeveloped into the Sawmill Station shopping center and Residences at Sawmill Station residential project.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Coordinated with the owners of Sawmill Station shopping center to address property maintenance concerns and circulation issues.
2. Continued to coordinate with the developer of an entitled mixed-use development (Joe Donut) to locate new restaurants on the north side of Dempster Street.
3. Provided planning and zoning support for the Napleton Honda redevelopment.
4. Undertook targeted marketing to national retailers and restaurant chains.
5. Met with property owners of key development sites to discuss potential future projects and identify needed entitlements.
6. Initiated a Dempster Street Corridor Plan process that is to include redevelopment strategies for properties within the TIF.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue to work with developers to ensure construction is completed and new businesses are opened according to schedule.
2. Continue marketing and business recruitment efforts for other parcels in the TIF.
3. Evaluate existing infrastructure in the area and develop a capital improvement plan, as needed, to upgrade public facilities for the level and types of development desired in this area.
4. Complete the development of the Dempster Street Corridor Plan.
5. Where appropriate, consider property assembly for future redevelopment opportunities.

Train Station and economic development support.		

**OVERVIEW**

The Lincoln/Lehigh TIF District was formed in 2021 to encourage the orderly redevelopment of properties near the Metra station at Lincoln and Lehigh Avenues and create a transit-oriented mixed-use district. This District is roughly bounded by Chestnut Street on the north, the Cook County Forest Preserve on the west, Village-owned property at 8300 Lehigh Avenue on the south, and Metra rail lines on the east. The TIF District includes certain properties formerly within the Lehigh/Ferris TIF District that remain vacant or underutilized and generally failed to experience reinvestment.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Continued the reconstruction of the Morton Grove Metra station and related site improvements.
2. Reissued an RFP/Q, initiated a redevelopment agreement, and facilitated the entitlement process for the Village-owned property at 8500-50 Lehigh Avenue for a mixed-use development to include 60 residential units, ground-floor restaurant space, and Lehigh Avenue streetscape.
3. Continued to work with Lexington Homes to ensure construction is completed according to schedule and provided planning and zoning support, including managing TIF requests, for the development of the 7.6-acre former industrial property at 8350 Lehigh Avenue for an 89-unit townhome.
4. Began initial planning for lighting and infrastructure improvements along the Lehigh Avenue corridor.
5. Continued to market privately owned properties along Lincoln and Lehigh Avenues to progress the development of a downtown district.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Complete construction of the new Morton Grove Metra station and related site improvements.
2. Close on the sale of 8500-50 Lehigh Avenue and authorize the start of construction of the mixed-use development.
3. Continue to work with Lexington to ensure completion of the Metro on Main townhomes (formerly 8350 Lehigh Avenue) and occupancy according to schedule.
4. Undertake preliminary engineering for multi-modal roadway, intersection, and rail crossing improvements along Lehigh Avenue and at Lincoln and Lehigh Avenues.
5. Continue efforts to market Morton Grove, particularly related to redevelopment opportunities within the Lincoln / Lehigh TIF District.
6. Continue to work on programs that support and enhance the existing industrial area adjacent to the TIF District.

**OVERVIEW**

The Lehigh / Ferris TIF District was formed in 2000 to create a transit-oriented business district by promoting the orderly redevelopment of the properties near the Metra station at Lehigh and Lincoln. This District is roughly bounded by Dempster Street on the north, the Cook County Forest Preserve on the west, Chestnut Street on the south, and Ferris Street on the east. The District also extends eastward along Lincoln Avenue, terminating at the alley between Georgiana Avenue and School Street. The TIF District was amended in 2021 to remove certain properties and include them within the Lincoln / Lehigh TIF District.

**OVERVIEW**

The Solid Waste Fund finances the operation of the Village's Solid Waste Collection Services. This fund is essential for providing waste collection and disposal services, including recyclable and yard waste items.

**FISCAL YEAR 2025 ACCOMPLISHMENTS**

1. Monitored Groot Disposal's performance and helped resolve all resident complaints and service requests. Staff worked with Groot to address resident issues related to trash collection, recycling, and yard waste.
2. Monitored services provided by Groot Disposal to ensure total compliance with the current contract.
3. Advocated recycling to lower overall costs and decrease solid waste.
4. Promoted Food Scrap Collections by collaborating with WasteNot Compost, which included adding three village facilities to the Food Scrap Collection Program. As of October 2025, this program diverted over 75,000 lbs. of food scrap waste from landfills.
5. Continued the education programs to encourage the public to participate in e-waste disposal and various recycling opportunities to promote greater sustainability throughout the Village. This initiative is provided by the Solid Waste Agency of Northern Cook County (SWANCC).
6. Coordinated the annual Electronic Recycling and Document Destruction event at Public Works.
7. Coordinated the Annual Leaf Collection Program with Groot Disposal and oversaw removing approximately 2,000 tons of leaves from the Public Works yard.

**FISCAL YEAR 2026 GOALS AND OBJECTIVES**

1. Continue to monitor Groot Disposal's performance and help resolve all resident complaints and service requests related to trash collection, recycling, and yard waste.
2. Continue to ensure total compliance with the services contract provided by Groot Disposal.
3. Continue to advocate for recycling to lower overall costs and decrease solid waste.
4. Continue to advocate for participation in the Village Food Scrap Collection Program by collaborating with WasteNot Compost.
5. Continue the education programs to encourage the public to participate in e-waste disposal and various recycling opportunities provided by the Solid Waste Agency of Northern Cook County (SWANCC).
6. Continue to sponsor the annual Electronic Recycling and Document Destruction event at Public Works.

\$30,200	\$32,200	\$2,000
Increase in bank fees due to increase usage..		

### OVERVIEW

The Commuter Parking Facilities Fund has been established as a special revenue fund to account for all revenues received by the Village from the operation of commuter parking lots. The parking fees for individuals using the commuter parking lots generate revenue used exclusively for the care, maintenance, and future expansion of the commuter parking lot.

### FISCAL YEAR 2025 ACCOMPLISHMENTS

1. Provided alternative parking during Metra station construction.
2. Electronic payment devices maintained in peak operating condition.

### FISCAL YEAR 2026 GOALS AND OBJECTIVES

1. Transition back to regular parking areas after station construction.
2. The Village will continue to provide the necessary staff and resources to ensure the commuter parking lots are maintained in good operating order; including landscaped areas, which enhance the appearance and effective use of the facility.
3. The Village will continue to provide a sufficient number of well-maintained parking spaces to serve the public which utilizes the Morton Grove Metra Station.

<b>EQUIPMENT REPLACEMENT FUND</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
-	-	-
No purchases budgeted in 2026, looking at long range planning for equipment.		

### OVERVIEW

The Equipment Replacement Fund was created to maintain funds for equipment purchases and even out expenses incurred in other funds for equipment replacement by setting an annual funding level.

<b>FIRE ALARM FUND</b>		
<b>2025 BUDGET</b>	<b>2065 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$294,650	\$332,650	\$38,000
Increase in central dispatch costs.		

**OVERVIEW**

This fund accounts for the activity related to the Village’s fire alarm network and the costs associated for fire dispatching services. Revenues are derived from subscription fees. Dispatching service is provided by the Regional Emergency Dispatch (RED) Center.

<b>SEIZURE FUND</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$300,500	\$292,500	(8,000)
Decrease due to fewer planned purchases.		

**OVERVIEW**

The program is a law enforcement initiative that removes the tools of crime from criminal organizations, deprives wrongdoers of the proceeds of their crimes, recovers property which may be used to compensate victims, and deters crime. The most important objective of the program is law enforcement; equitable sharing further enhances the law enforcement objective by fostering cooperation among federal, state, and local law enforcement agencies. The law authorizes shared forfeited property with participating local law enforcement agencies. Forfeited funds have specific guidelines as to their uses, and must have a direct nexus to specific law enforcement functions; the exercise of this authority is limited by statutes. All forfeited funds will be expended to further enhance law enforcement objectives. These proceeds do not replace or supplant existing budget funds but rather are used to supplement the process for needed law enforcement equipment.

<b>MORTON GROVE DAYS COMMISSION</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$170,000	\$173,950	\$3,950
Increased costs to run the fest.		

**OVERVIEW**

The Mission of the Morton Grove Days Commission is to sponsor family oriented community events which will serve both a recreational and a fellowship purpose. Activities are intended to bring families and neighborhoods together participating in enjoyable experiences which will promote strong family, community and neighborhood bonds, as well as foster pride in the Village of Morton Grove. Expenses not covered by fest revenues are reimbursed by grants from Morton Grove Days Commission.

<b>LIABILITY INSURANCE FUND</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$100,000	\$100,000	-
No change.		

**OVERVIEW**

The Liability Insurance Fund was created to better track claims that are reimbursed through IRMA (Intergovernmental Risk Management Agency) and remove those expenses from operating budgets.

## FIDUCIARY FUNDS

<b>GENERAL EMPLOYEES' PENSION</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$1,426,000	\$1,526,000	\$100,000
Increase for recent retirements.		

### OVERVIEW

The Village provides retirement benefits for all civilian (non-sworn) employees who work at least 1,000 hours per year. Employees become eligible for coverage after one year of employment and contribute two percent (2%) of their gross base pay. The purpose of this fund is to account for collection of employee contributions and local taxes prior to submitting to the CNA insurance plan.

<b>FIREFIGHTERS' PENSION</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$4,832,000	\$5,219,432	\$387,432
The increase is for new retirements and disability pensions.		

### OVERVIEW

The Firefighters' Pension Fund is a pension fund trust separately accounting for and specifically regulated by Illinois law (Chapter 40 of the Illinois Compiled Statutes, Article 4). The Fund accounts for benefits paid to retired and/or permanently disabled firefighters or their survivors pursuant to state law. Revenues are derived from property and replacement taxes. Investment earnings on assets and a mandatory 9.455% payroll deduction by current sworn personnel.

The Firefighters' Pension Fund is governed by a separate five person board. Pursuant to state law noted above. The Board consists of two firefighters elected from among "their own ranks," one beneficiary elected from the current beneficiaries, the Village's Finance Director, and one resident appointed by the Village President. The Pension Board is responsible for approving (or denying) disability or retirement benefits. The dollar amount of pension benefits paid to retired and/or permanently disabled firefighters (or their survivors) are set by state law. The Board also has the responsibility to invest the monies of the Pension Fund (and retains the services of an investment advisor).

<b>POLICE PENSION</b>		
<b>2025 BUDGET</b>	<b>2026 REQUEST</b>	<b>INCREASE (DECREASE)</b>
\$5,008,100	\$5,013,600	\$5,500
Increase for anticipated retirements.		

**OVERVIEW**

The Police Pension Fund is a pension trust fund separately accounting for and specifically regulated by Illinois law (Chapter 40 of the Illinois Compiled Statutes, Article 3). The fund accounts for benefits paid to retired and/or permanently disabled police officers or their survivors pursuant to state law. Revenues are derived from investment earnings on its assets and mandatory 9.91% payroll deduction by current sworn personnel.

The Police Pension Fund is governed by a separate five person pension board. Pursuant to state law, the board consists of two sworn police officers elected among “their own ranks”, two mayoral appointments, and one beneficiary elected from the current beneficiaries. The Pension Board is responsible for approving (or denying) disability or retirement benefits. The dollar amount of pension benefits paid to retired and/or permanently disabled police officers (or their survivors) are set by state law. The Board also has the responsibility to invest the monies of the pension fund (and retains the services of an investment advisory).
