

Maintenance Worker I (Forestry Section)

The Village of Morton Grove is seeking qualified applicants for the full-time Maintenance Worker I position.

Overview:

The Maintenance Worker I performs manual labor of routine difficulty involving physically demanding unskilled and semi-skilled tasks and performs related work as required. This recruitment is designed to fill a Maintenance Worker I vacancy in the Forestry Section. Under the direct supervision of a Crew Leader, the employee will perform the duties as assigned and associated with the Department of Public Works Forestry Section and assist other divisions within the Public Works. Consequently, a history of experience on a tree/shrub maintenance or tree removal crew is desirable. When not directly engaged in forestry operations, this employee will also be expected to operate as a laborer, assisting the Street Division with maintaining local streets. This is a laborer position that is subject to 24-hour callback.

Examples of Knowledge and Skills:

- Performs heavy manual labor, completing tasks such as digging and shoveling for the Tree Planting Program.
- Operation of equipment needed to work effectively at heights required to maintain a healthy tree canopy.
- Lifts and carries supplies needed for forestry operations or repairing Village infrastructure.
- Safely operates all power and manual tools associated with the various operational divisions of Public Works.
- Carries or lifts branches when a tree is cut down or trimmed.
- Safely operates chipping and stumping equipment.
- Posts or guard rail installation; cleaning after all repairs and severe weather events; being a flagman; feeding branches through a chipper; water plantings.
- Ability to cross train and work within all Department of Public Works Divisions.
- Snow Plowing

The position requires responding to work-related emergencies 24 hours a day and the ability to obtain a Class B CDL.

A complete and comprehensive Job Description for the Maintenance Worker I position is provided at the link below:

[Maintenance Worker I Job Description](#)

Salary ranges from \$59,310 to \$76,726.00 DOQ with excellent benefits (health, dental, IMRF). To be considered for the position, applicants must submit a completed Job Application (located [here](#)) plus a resume and cover letter to the Director of Public Works office. The above packet may be emailed to pwhr@mortongroveil.org (include "Maintenance Worker I - Forestry" in the subject line.)
