**Old Business:**

The Neighborhood Outreach program will take place in September 2016, at Mansfield Park. The event is done to mimic a cocktail party so people can mingle. It is not a Town Hall meeting, simply a meet and greet and to answer questions residents might have.

Chief Friel stated that Morretti's restaurants will have an environmental cleanup. The cost is in negotiations between Morretti's and the Village.

**New Business**

Jeff Wait, Executive Director of the Park District, was introduced and welcomed. He stated if there was anything the park could help with, he would be more than happy to help. The park would like to offer assistance in making arrangements for any type of outing or if any other issues arise, to please contact him.

Mather LifeWays will be doing a *Quality of Life* survey again shortly. This entails programs that residents like and don't like and what would they like to see more of, etc. The information will be shared with the Park District and Village.

Mather LifeWays does a variety of events during the summer months. All are welcomed.

Peggy Lieb, from the Farmers' Market, talked about the market which is held every Saturday, 8:00 a.m. to noon. There are discount coupons available to the seniors if you just stop by the Market table.

### **Liaison Reports**

Residential property maintenance around town is an ongoing process. It was stated to please call the Village to minimize the impacts of unmaintained homes. Citations are issued and under certain circumstances the Village will cut grass. It does take time, so please be patient. Hopefully, we will have all homes registered and maintained in time.

Chief Friel stated that Jeff Wait, Executive Director of the Park District, has brought many new ideas to the Village. There is Tunes on Tuesday, a classic car show, movies in the park, family camp out, and many other events.

Chief Friel stated that everyone should remember in all cases, "When in doubt, call 911." Everyone should always feel comfortable in calling.
