#### **Upcoming Events**

Village Administrator Ralph Czerwinski reported on the Passport to Greener Morton Grove program, stating there were 81 passports returned.

Corporation Council Teresa Hoffman Liston stated that the winners would be drawn prior to the May 10<sup>th</sup> Board meeting to be announced there.

Public Works Director Joe Dahm reported that ComEd provided a smart thermostat as a prize, Nicor donated 4 tree prizes including the landscapers planting of the trees.

Mrs. Liston reported that the Kids for Greener Morton Grove contest would take place May 7 – May 28. There is a template on the website that explains the program and the three winning designs will be printed on reusable bags that will be used by the village.

### **Old Business**

Commissioner Schultz stated that the meeting was taking place during composting week and May is composting month. She asked if staff could provide an update on the current state of the Village's composting program.

Mr. Dahm stated he did not have an update but would work on obtaining new information.

Chairperson Brunner then asked for any other comments. Hearing none, Commissioner Hoffman moved to adjourn the meeting, seconded by Commissioner Pietron.
