*Someone who is always helping friends and neighbors and proud of their Community...*

*Does that sound like you?*

*Volunteers routinely assist the Police Department with Traffic Control and Direction during the Memorial Day, Independence Day and Veteran's Day Parades, the Jewish Arts Festival...*

*In addition to our civil preparedness mission, the Morton Grove Emergency Management Agency provides a Public Safety presence at the Chamber of Commerce sponsored Farmer's Market, Economic Development Commission Car Shows, Park District Summer Concerts and other local special events.*

*As well as the Park District 5K Race and at fire or accident scenes or when there is severe weather.*

*Morton Grove Emergency Management Agency Volunteers give back to their community through the hours they serve. Volunteers have the opportunity to learn new skills and gain invaluable insights. Through their work, attitude, and ideas, our volunteers help maximize Police, Fire and Public Works resources, enhance public safety services, and build ties between the local First Responders and members of the community.*

*Training is provided in First Aid/CPR, Traffic Control, Search & Rescue, Hazardous Materials Awareness, Radiological Monitoring, Emergency Communications and Severe Weather Observation.*
