

SAY "YES" TO DIRECT DEBIT!

Direct debit is a new payment service which makes it more convenient for you to make utility payments to the Village. Your utility payments can now be made automatically from your checking account. The bank account used to pay the utility bill is authorized by you and there are no checks to be lost or delayed in the mail. To sign up for this convenient direct debit service, complete and return the authorization form below.

A voided check must accompany the completed form.

Do not send completed applications to the Village's P.O. box address.

Drop off or mail both to: Village of Morton Grove, Utility Billing Department
6101 Capulina Avenue, Morton Grove, IL 60053
